We Have Enough Love (Hymn of the Month)

In those long nights when we can't sleep and our worries whisper in our ear,
We need a voice that will remind us that we are always greater than our fear.

(Chorus)

We have enough time
We have enough courage
We have enough wisdom
We have enough love.
We have enough time
We have enough courage
We have enough wisdom
We have enough love.

In those hard days when the light dims and it seems like all we do will fail,
We need a sign that can sustain us and help us see that hope is never frail.

(Chorus)

In our torn lives there are moments when we feel a certainty within.
Then we must sing to tell each other we're not alone, nor have we ever been.

(Chorus)

#345 With Joy We Claim the Growing Light

With joy we claim the growing light,
advancing thought, and widening view,
the larger freedom, clearer sight,
which from the old unfold the new.

With wider view, come loftier goal;
with fuller light, more good to see;
with freedom, truer self-control;
with knowledge, deeper reverence be.
