What's Ahead?

FUSF has made excellent progress in this time of transition. Reverend Bev Waring has committed to a third year with us and is collaborating with the congregation to prepare the way to hire a settled minister. Our experienced and nimble Board of Trustees provides leadership and supports the work of our FUSF committees.

Michele Kelly offers outstanding musical talent and leadership, and Diana Tesni is an energetic Director of Religious Education who inspires the children and the young at heart in our congregation.

Together, we have found our way forward during a time of many challenges. We continue to appreciate the time, treasure, talents and generosity of everybody within our congregation.
